

From the Offices of the Traffic Engineer
and the Chief of Police
City Hall

**CITY OF LA CROSSE
BOARD OF PUBLIC WORKS
Findings & Orders:**

February 3, 2020

ESTABLISHING

AMENDING

VACATING

TYPE OF ALTERATION: Midblock Crosswalk with RRFB

GENERAL LOCATION: 900 block of 3rd Street S at a point 230 feet south of Market Street.

Report:

A request and application were received to investigate the 900 block of 3rd Street S for a possible upgrade to an existing midblock crosswalk.

Upon observing the site, it is noted that City Brewery Company is sole owner of properties on both sides of the street, with employees and visitors using the crosswalk. The BPW previously approved a capital project to install the RRFB, with equipment purchased by the brewery.

WHEREAS, Section 44-39 of the City of La Crosse Municipal Code of Ordinances provides that after obtaining a report and recommendation of the Traffic Engineer, the Chief of Police shall forward recommendations and appropriate orders to the Board of Public Works.

AND WHEREAS, the Findings of the Traffic Engineer state the public interest, convenience, and necessity, the Chief of Police hereby Orders the above traffic alterations, to wit:

- Establish midblock crosswalk RRFB in the 900 block of 3rd Street S as detailed above.

NOW, THEREFORE, the Board of Public Works hereby approves the aforementioned traffic alteration, and City staff is hereby authorized to effect said changes.

Matthew A. Gallager
Deputy Dir. Engineering & Public Works

Shawn Kudron
Chief of Police
