Dear City of La Crosse Common Council,

I am writing on behalf of the La Crosse Area Veterans Mentor Program, Inc. to support in favor of the application for a Conditional Use Permit by the Tomah VA Medical Center allowing the Community Living Arrangement at 3120 Farnam Street.

Our organization was founded on January 4, 2010 when the people of La Crosse collaborated to address concerns for our Iraq and Afghanistan Veterans. LAVMP has since served hundreds of La Crosse Veterans.

Rebuilding the lives of the Veterans struggling to reintegrate into society is not an easy task, but our Veterans deserve to return to the communities they came from. LAVMP is excited to walk alongside La Crosse Veterans in their journey home.

With over 20 active Veteran Mentors, our very own Veteran Treatment Court and nearly a decade of experience, LAVMP stands ready to mentor and support the future residents of this home the best we are able.

Please vote favorably on #18-1255 on December 13, 2018.

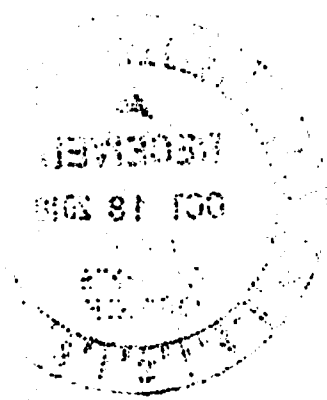

Sincerely,

Dustin Schultz,
Executive Director and Combat Veteran
