Good Morning,

I received the email below regarding the pausing of sidewalks in La Crosse. I would like to express my thoughts on adding sidewalks.

My husband and I reside at 1010 28<sup>th</sup> Street S. We DO NOT want sidewalks at all in our area. One of the reason we moved there was because there were no sidewalks!

The money for sidewalks needs to be funneled to La Crosse city roads that are in horrible shape. The roads need to be completely redone and 'not' a patch jog done on them.

Again, NO SIDEWALKS!!

Thank you,

**Colleen Royce**
