

## From the Offices of the Traffic Engineer and the Chief of Police City Hall

## CITY OF LA CROSSE BOARD OF PUBLIC WORKS Findings & Orders:

February 27, 2020

(X) ESTABLISHING

() AMENDING

() VACATING

TYPE OF ALTERATION: Midblock Crosswalk

GENERAL LOCATION: 800 block Monitor Street at a point 320 feet East of Avon Street.

## Report:

A request and application were received to investigate the 800 block of Monitor Street for a possible midblock crosswalk.

Upon observing the site, it is noted that Marine Credit Union is sole owner of property on the North side of the street, with employees, residents to the North, and visitors using the crosswalk to access the Jim Asfoor Marsh Trail. The most conspicuous, accommodating option is a signed, marked crosswalk with ramps. It is therefore recommended to establish a midblock crosswalk.

WHEREAS, Section 44-39 of the City of La Crosse Municipal Code of Ordinances provides that after obtaining a report and recommendation of the Traffic Engineer, the Chief of Police shall forward recommendations and appropriate orders to the Board of Public Works.

**AND WHEREAS**, the Findings of the Traffic Engineer state the public interest, convenience, and necessity, the Chief of Police hereby Orders the above traffic alterations, to wit:

Establish Midblock Crosswalk in 800 block of Monitor Street.

**NOW, THEREFORE**, the Board of Public Works hereby approves the aforementioned traffic alteration, and City staff is hereby authorized to effect said changes.

Matthew A. Gallager

Deputy Dir. Engineering & Public Works

Shawn Kudron Chief of Police
