Sent from my iPhone. Please vote no on the position of Director of Operations. This job is not needed. The Mayor needs to do his job. I voted for a Mayor not a Director of Operations! This city's population has not grown in years, but the government just keeps getting bigger for no reason. Lastly, please start thinking of people who are struggling now to pay property taxes and stay in their homes. No one seems to be looking out for seniors either. I urge you all to please vote no! Thank you.
