

Resolution authorizing purchase of Engineering & Public Works software, equipment & supplies, and continuing education via redirection of unused labor funds.

RESOLUTION

WHEREAS, City Department Heads may request reallocation of unused Operating Budget labor funds stemming from temporarily vacant positions within their Table of Organizations during the same Calendar Year, and

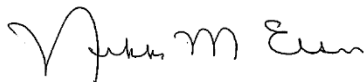

WHEREAS, the Engineering Department has unused labor funds from temporary vacancies in 2021 and Capital Equipment budget requirements and reductions leave the department with unmet equipment, supply, and software needs.

NOW, THEREFORE, BE IT RESOLVED that the Engineering Department may use up to \$50,000 of unused labor funds for the purchase of equipment and supplies, as follows: purchase, implementation, and maintenance costs for project management software, including purchase and first-year maintenance costs; survey equipment and roadway construction supplies; office supplies and apparel; and continuing-education, professional society dues, and travel and training costs.

BE IT FURTHER RESOLVED by the Common Council that funding shall come from the 2021 operating budget of the Engineering Department.

BE IT FURTHER RESOLVED that the City staff are hereby authorized and directed to take all necessary steps to implement this resolution.

I, Nikki M. Elsen, certify that this resolution was duly and officially adopted by the Common Council of the City of La Crosse on October 14, 2021.
