Subject: Hardship Request

We own a house located at 819 6<sup>th</sup> Street S, Parcel : 017030128030 since 2003. We had registered the property as a rental at that time.

We have rented this house to the same person since 2004. She has had difficulties making ends meet, so we rewrote her lease in October 2012 and lowered her rent by \$100/month. She is a nice person and we want to make sure she has a place to live because of her limited income.

The house is located between two apartment buildings and across the street are more rental buildings.

We would appreciate your consideration in waiving the restriction to use this property as a rental under Section 8.07(I).

Sincerely,

RUUD RENTALS LLC
