I am writing to urge the Council to not approve the appeal by the mayor, to remove the Historical Designation of the South Branch Library. Thank goodness for this designation, to save this beautiful and one of a kind building. As I live downtown, I see the wonderful things done to our city with renovation, while preserving our history. There are few historical buildings on the South side of town and it would be a shame to lose this gem. Thank you . Barb Heintz Sent from my iPhone
