

Resolution approving purchase of airport safety and operations compliance software and associated hardware.

RESOLUTION

WHEREAS the Airport currently utilizes several internally developed databases and paper records for ensuring regulatory compliance, and

WHEREAS the Airport desires to consolidate electronic, hard copy, and other various regulatory documents into a single web based operations compliance system to provide efficiencies and ensure regulatory compliance, and

WHEREAS the Airport has analyzed several vendors proposals, and

WHEREAS the proposal submitted by GCR Incorporated for their Airport IQ Safety & Operations Compliance (ASOCS) system would provide the required functionality at the lowest cost.

NOW THEREFORE BE IT RESOLVED by the Common Council of the City of La Crosse that it hereby authorizes the purchase of GCR Incorporated's ASOCS software package for \$38,000.

BE IT FURTHER RESOLVED that funds of up to \$15,000 are authorized for the hardware required to support the ASOCS software and for project contingencies.

BE IT FURTHER RESOLVED that is hereby appropriated and approved for expenditure up to \$53,000 from 2013 Airport Operating Budget funds.

BE IT FURTHER RESOLVED that the Airport Manager, Finance Director, and IST Director are authorized to take all necessary steps to effectuate said resolution
