

# City of La Crosse Outdoor Café Restaurant Recovery Program

## Permit Application & Instructions

The City of La Crosse has created the following Outdoor Cafe program to temporarily allow restaurants, taverns, and tasting rooms to expand their business footprint onto adjacent: public rights-of-way or privately-owned parking facilities or outdoor space if approved by the City of La Crosse. For eligible restaurants, taverns, and tasting rooms this may also include expanded alcohol license premises. All additional fees will be waived for this program.

All approvals are strictly temporary and expire on ~~March~~ **November 12, 2021**. Existing Outdoor Cafes approved under the Outdoor Café Program with an expiration date of November 13, 2020 are hereby extended to ~~March 20~~ **November 12, 2021** only if they intend to continue operating in the expanded area under the same plan as provided, and approved, in the original application and subject to compliance. This program may be extended beyond this date upon approval by the Common Council. This program is subject to all local, State and Federal Health Orders, laws and guidelines.

### Application Review Process

The Planning and Development Department will be administering the application process for this program. Depending on the type of Outdoor Café that is being applied for, or if a Liquor License Expansion is also being requested, additional approvals may be needed by the Board of Public Works, the City Clerk's Department, and/or the Common Council.

Completed Applications and the required attachments may be submitted to the Planning and Development Department via electronically to:

**IT IS HIGHLY RECOMMENDED THAT APPLICATIONS ARE SUBMITTED ELECTRONICALLY. THIS WILL ENSURE A QUICKER PROCESS OF REVIEW.**

If your application requires review by the Board of Public Works for a Street Privilege Permit, applications must be submitted to the Planning & Development Department no later than 5pm on Wednesday to ensure review and action on your application by the following Monday meeting of the Board of Public Works.

Existing Liquor License Expansion requests will be reviewed by the City Clerk's Department. If review is required by the Board of Public Works Department, and the application is approved, applications will then be forwarded to the Clerk's Department for review. Provisional approval may be granted until final action is taken by the Common Council at their next meeting.
