

Mr Mayor:

This is in regards to the notice we received in the mail.

We are a very small LLC. We keep our properties in tip top shape. In the many years that we have lived here never once have we not shoveled the sidewalks of property. After a snow my husband or myself or both will go early morning to make sure sidewalks are clear.

This sidewalk was shoveled in the morning. It had a few snow flurries that morning after it was done. As the picture shows it was very minium. (maybe a 1/4 of an inch?) There was no ice. (The snow picture looked like ice but is not.)

I called 3 different people and no one has called me back. My husband e-mailed also with no response.

The picture shows it was shoveled.. So we are confused of this whole thing.

We would be happy to come to a <sup>town</sup> meeting to discuss this. We would be grateful if you could have someone contact us.

Thank You!

Keith, Goralyn Guster
