SUBJECT: Sidewalks

FROM: Residents on South 28<sup>th</sup> Street, La Crosse WI

We, the undersigned citizens, compel the City of La Crosse leaders to reconsider the installation of new sidewalks in our neighborhood. We DO NOT want this to occur. We see no reason to disrupt the beautiful lawns we have. It is our understanding that the City may even take out mature trees, rock gardens, retaining walls, etc. to accomplish this. And if the City does choose to close Hintgen School, the sidewalks won't be needed for students to get to and from school. Please consider our request. Thank you.
