

Fall 2016 Tree Removal Proposal

City of La Crosse

The following is a proposal for the removal of trees listed in the bid information we received. The costs include the removal of the trees and clean-up and disposal of all related debris. If we are contracted for more than one section of this project we will complete each section completely before beginning the next and will invoice the work accordingly.

Today's Tree Service Inc. will perform the work without any sub-contractors. If subs were used they would provide a certificate will equal coverages of Today's Tree Service Inc.. All 4 employees of Today's Tree Service Inc. are covered under work comp. insurance and this can be verified with a payroll summary that can provided from the insurance carrier.

If contracted we will begin this work asap and completion time will be determined by the amount of trees we are contracted to remove. Acceptance of this proposal will ensure prompt and professional service. If you have any questions contact Jeff at 608-780-1604.
