May 11, 2020

To the Board of Park Commissioners

I am requesting to consumer alcoholic beverages at Black River Beach North Pavilions on June 4, 2022. The date has been reserved by me with La Crosse Park and Rec. I will be celebrating my master's degree, my sister High School graduation, and my brother's graduation achievement. Because of the pandemic the graduation celebration has been set off for 2 years. This is a family event with relatives traveling from far distances. We wish to socialize and consumer alcohol beverages responsibly. If there are questions, please contact me.

Respectfully,

Thao Moua
