Subject: Skilled Mechanical Labor Assistance - La Crosse WWTP

Good afternoon Brian,

I was forwarded your information from Dave Leisses and Chris Boda regarding skilled mechanical labor for helping out at the plant there in La Crosse.

We dug into the request, and based on what you are looking for, we could send someone to assist with this work at the below rates:

Regular Time	Overtime
\$ 115.00	\$ 145.00

If you have any additional questions or would like us to proceed with getting someone to assist with your request, let us know and we will proceed accordingly.

Thank you,
