Whereas, the City finds and determines that certain cash grant payments as detailed in this Agreement are necessary and convenient to the implementation of the TID Project Plan;

Whereas, Developer declares that "but for" this Agreement, it would not undertake the Project to the extent of the investment proposed and the City has determined that the amount of the Contribution is the amount determined by the City to be necessary to induce the Project;

Whereas, the City and Developer wish to set forth in this Agreement their respective commitments, understandings, rights and obligations in connection with the Project as more fully described herein and to further provide for the implementation of the Project; and

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein exchanged, and other good and valuable consideration, the receipt and sufficiency of which the parties acknowledge, the parties hereto agree as follows:

ARTICLE I PURPOSE; LAND; DEFINITIONS; EXHIBITS

1.1. Land Affected. The parties acknowledge that the Project will encompass and/or affect the following real property, all of which shall be within the boundaries of TID #18:

The Real Estate, described on **Exhibit A**, and certain public streets and rights-of-way serving the same.

1.2. Purpose of the Agreement. In order to cause the Project to occur and to induce Developer to undertake the Project, to eliminate blight, promote community development, industry and job creation and to expand and enhance the tax base and stimulate residential activity within the City, the City intends to undertake certain project costs and public improvements, if any, necessary for the Project, all as set forth in this Agreement. The City intends to recover its costs through payments received under this Agreement including increased tax revenues generated by the Real Estate. The parties intend to enter into this Agreement to record the understandings and undertakings of the parties and to provide a framework within which the Project may proceed. Developer and the City plan to work together to undertake the Project on the Real Estate all as more fully described herein and in the Master Plan and as approved by the City Plan Commission.

1.3. Certain Definitions. In addition to the words and phrases elsewhere defined in this Agreement, the following words and phrases, when having an initial capital letter, shall have the following meanings:

- a. "Agreement" means this MSP – The Driftless Apartments Development Agreement by and between the City and the Developer, as amended and supplemented from time to time.
- b. "City" means the City of La Crosse, Wisconsin, a Wisconsin municipal corporation.

- c. "Construction Schedule" means the construction timetable set forth on **Exhibit F**.
- d. "Contribution" means the contribution or cash grant that is made through this Agreement to incent Developer to undertake the development and assist the Project and for which the Monetary Obligation is incurred.
- e. "Developer" means The Driftless Apartments, LLC, a Wisconsin limited liability company.
- f. "Master Plan" means the Master Plan for the Real Estate prepared by the Developer and approved by the City Plan Commission as well as all subsequent revisions thereto that are prepared by Developer and approved by the City Plan Commission.
- g. "Monetary Obligation" means a limited and conditional monetary obligation of the Tax Increment generated from the Project in a maximum aggregate amount of Four Million Nine Hundred Forty-Two Thousand Dollars (\$4,942,000.00), that is incurred, in one or more installments, and that is payable over the time not to exceed the duration of the TID #18; more specifically:
 - (1) Calculation. Effective September 1, 2025, the City shall be obligated to pay a Contribution calculated as the Tax Increment resulting from an increase in real property tax base from the Project not to exceed the lesser of: (a) an aggregate Four Million Nine Hundred Forty-Two Thousand Dollars (\$4,942,000.00), or (b) eighty-five percent (85%) of the actual Tax Increment resulting from an increase in the real property tax base from the Project for tax years 2024-2047 as further defined in Section 3.1 of this Agreement. The difference, if any, between the actual Tax Increment resulting from an increase in the real property tax base from the Project for any tax year for which a Contribution would be paid and the aggregate maximum Four Million Nine Hundred Forty-Two Thousand Dollars (\$4,942,000.00), shall be retained by the City.
 - (2) Disbursement Date. After determining compliance with this Agreement and the actual applicable Tax Increment, the City shall make its Contribution of the Monetary Obligation annually on or before September 1 until payment of the maximum amounts defined herein or until closure of TID #18 by law, whichever occurs first.
 - (3) Conditions. The City's obligation to make Contributions on the Monetary Obligations is conditioned on:
 - (a) The determination by the City Assessor of compliance with the tax guarantee in Section 2.6(b) of this Agreement;
 - (b) The timely payment of taxes when due by Developer;
 - (c) Substantial Completion of the Project in accordance with the Master Plan, Project Cost Breakdown and Construction Schedule;

 - (f) The use of the Contribution for eligible project costs under the Tax Incremental Law; and
 - (g) Continued compliance with any and all applicable federal, state and local laws, regulations and ordinances by Developer.
- (4) Example Exhibit. An example of the annual Contribution payments is attached as **Exhibit G**.
- (5) Not General Obligation. For purposes of the Tax Increment Law, this Agreement is an evidence of indebtedness; that is, it fully evidences the City's obligation to pay the Monetary Obligation. No negotiable instrument is being prepared to separately evidence the Monetary Obligation. The Monetary Obligation shall not, however, be included in the computation of the City's constitutional debt limitation, because the Monetary Obligation is limited and conditional, and no taxes have been or will be levied for its payment or pledged to its payment. Nothing in this Agreement shall be deemed to change the nature of the City's obligation from a limited and conditional obligation to a general obligation. No Tax Increments are pledged to the payment of the Monetary Obligation. In the event of an interpretation of this Agreement that would require the City's obligation to change from a limited and conditional obligation to that of a general obligation, then the City's Contribution and/or Monetary Obligation shall be subject to annual appropriation by the City Council.
- (6) No Acceleration. Notwithstanding any other provision of this Agreement, Developer has no right to accelerate the payment of the Monetary Obligation. The only remedy of Developer in the event of nonpayment shall be legal proceedings to collect the amount of the Monetary Obligation that is due and payable. Developer may only institute legal proceedings after filing a claim with the City and complying with any other applicable provisions of this Agreement.
- (7) Limitations. The City has no obligation to make payments of the Monetary Obligation in excess of the amount of the Tax Increments that have been collected, and allocated from the Project in TID #18 under the Tax Increment Law and the provisions of this Agreement. The City has no obligation to make payments of the Monetary Obligation if this

Agreement terminates. In the event there is an Event of Default by Developer under this Agreement, the City may withhold any Contribution that is due and payable and may further seek the recovery of any Contribution that has already been paid or disbursed, which shall become immediately due and payable.

- (8) Administration. The parties acknowledge and agree that the City incurs continuing administrative and professional service costs under this Agreement. Notwithstanding any provision of this Agreement, the City shall retain fifteen percent (15%) of any Contribution to be made to Developer as calculated herein to offset said costs.
- h. "Plans and Specifications" means the plans and specifications developed for the Project.

"Project" means the development and improvement of the Real Estate by constructing 120 units of affordable / workforce housing on the Real Estate all as described in more detail on **Exhibit B** and in accordance with the Master Plan. ARTICLE II DEVELOPER OBLIGATIONS

2.1. **Acquire the Real Estate.** Prior to July 15, 2023, Developer shall acquire fee simple title to the Real Estate.

2.2. **Develop the Real Estate.** Developer agrees to develop and improve the Real Estate by undertaking the Project, all in accordance with the Master Plan, the Project Cost Breakdown and the Construction Schedule.

- a. **Site Preparation.** Developer shall prepare the Real Estate for construction of the Project, including, without limitation, any necessary demolition or other removal of improvements or preparation currently located on the Real Estate.
- b. **Construction Schedule.** Developer shall commence or cause other entities to commence construction on the Project, as described in **Exhibit B**, on or before July 31, 2023 with Substantial Completion on or before December 31, 2024, all in accordance with the Construction Schedule set forth on **Exhibit F**.
- c. **Guaranty of Minimum Construction Costs.** Developer agrees that the buildings and improvements associated with the Project shall have an aggregate minimum construction cost of not less than Twenty Million Dollars (\$20,000,000.00). The Project Cost Breakdown is provided on **Exhibit E**.
- d. **Rights of Access.** Developer shall permit the representatives of the City to have access to the Project at all reasonable times during and following the construction when the City

deems access necessary to ensure compliance with the terms and conditions of this Agreement including, but not limited to, access for inspection of all work being performed in connection with the Project as set forth in the Master Plan. No compensation shall be payable nor shall any charge be made in any form by any party for the access provided in this Agreement.

- e. **Property for Public Streets and Public Improvements.** Developer shall dedicate and/or transfer or convey all public streets, public rights-of-way and all necessary public sewer and water utilities within the Real Estate, as depicted in the Master Plan, as finalized, to the City at no cost to the City.
- f. **Master Plan.** Prior to obtaining any building or other permits and/or commencing any construction or development on the Real Estate, Developer shall submit a Master Plan setting forth all the details of construction and development to the City Plan Commission for review and approval. Said Master Plan shall conform in all material respects to the provisions of this Agreement, all applicable federal, state and local laws, ordinances, rules and regulations and shall include preliminary and final building, site and operational Plans and Specifications, including, without limitation: (1) building plans and specifications; (2) architectural plans, renderings and specifications; (3) building material plans and specifications; (4) preliminary and final site plans; (5) landscaping plans; (6) stormwater and erosion control plans; (7) lighting plans; (8) traffic and circulation plans for pedestrians, bicyclists, transit riders, truck and delivery vehicles, and automobiles; (9) signage plans and specifications; (10) water and sewer plans; and (11) any other preliminary or final plans, specifications or other requirements as determined by the City Planner. The City Planner may determine, in his sole and absolute discretion, whether one or more of the above requirements is applicable to the Project's Master Plan.

2.3. Local Subcontractors. It is agreed by Developer that Developer shall engage local subcontractors, workers as well as local suppliers for material. The term subcontractor is as defined in Section 66.0901(1)(d), Wis. Stat. The word, "local," shall mean that the subcontractors and suppliers of material have their principal place of business within the City of La Crosse or within a seventy-five (75) mile radius of the City of La Crosse, Wisconsin. The Developer further agrees to provide to the City Engineer a list of all subcontractors and it further agrees that eighty percent (80%) of all work performed by subcontractors for construction shall be performed by subcontractors located within the City or seventy-five (75) miles of the City of La Crosse. In determining whether the eighty percent (80%) threshold has been met, the parties shall measure based upon the dollar values of said work. If Developer does not meet this requirement, it may request a waiver from the City Engineer providing reasons for the request of the same. This Section does not apply to fixtures, furnishings and equipment.

2.4. Compliance with Planning and Zoning; Use. Developer, at its own expense, shall obtain all approvals, permits and licenses as may be required by any governmental or non-governmental entity in connection with the Project. Any conditions imposed on Developer to obtain any approval, permit or license must be acceptable to the City. Developer will not initiate, approve, consent to or participate in any change or modification of the zoning in effect for the Real Estate or any portion thereof, without the City's prior written consent. No property within the Real Estate shall be used for any use other than as set forth in the Master Plan and this Agreement and as approved by the City, including any conditions attendant with such approval, unless such use is further approved by the City under its normal zoning, review and approval procedures.

2.5. Maintenance and Repair. Developer agrees that at all times after construction of the Project, it will keep and maintain the Real Estate and the Project in good condition and repair.

2.6. Taxes. It is understood that the land, improvements and personal property resulting from the Project shall be subject to property taxes. Developer shall pay when due all federal, state and local taxes in connection with the Real Estate and all operating expenses in connection with the Real Estate and Project.

- a. **Annual PILOT.** In the event that some or all of the Real Estate or personal property is or becomes exempt from general property taxes under Chapter 70, Wis. Stat., as amended or superseded, or by any other statute, provision or reason, then Developer (or its successors or assigns) shall make an annual payment to the City in lieu of taxes ("Annual PILOT") for the services, improvements or facilities furnished to the Real Estate by the City and other taxing jurisdictions. The amount of the Annual PILOT shall be computed and determined by the City Assessor by multiplying the fair market value (using tax assessment definitions, rules and procedures) of the tax-exempt portion of such property by the total tax rate of all taxing jurisdictions as shown on tax bills issued to taxpayers in the City. Developer or the then current owner of the tax-exempt property, its successors or assigns shall pay the Annual PILOT within sixty (60) days of receipt. Developer shall have the right to appeal the determination of the City Assessor to the City Council. Any appeal shall specifically state the reasons, in writing, why the amount due as provided by the City Assessor is in error. The parties agree that the Annual PILOT shall survive for a period of twenty (20) years or the life of the TID #18, whichever is longer. Notwithstanding, the Developer or its successors shall not be responsible for any Annual PILOT resulting from the Real Estate or a portion thereof becoming tax exempt due to the use of eminent domain by the United States or some other governmental entity.
- b. **Guarantee.** As an additional inducement and in consideration for the City entering into this Agreement, Developer guarantees faithful performance and compliance with all the terms, covenants, conditions and obligations to be kept and performed by Developer contained in this Agreement, including, without limitation, the obligation that the Project shall have an assessed value of not less than Nine Million Six Hundred Thousand Dollars (\$9,600,000.00) beginning in tax year 2025 and for a period of twenty (20) years or the life of TID #18, whichever is longer. Developer agrees that this minimum assessed value on the Project shall remain a lien on the Real Estate and shall run with the land for a period of twenty (20) years or the life of TID #18, whichever is longer.
- c. **Deficiency PILOT.** In the event the assessed value of the Project is less than Nine Million Six Hundred Thousand Dollars (\$9,600,000.00) as of January 1, 2025 or for any tax year thereafter for a period of twenty (20) years or the life of TID #18, whichever is longer, then the Developer or the then current owner, or its successors or assigns agrees to pay a Deficiency PILOT to the City within sixty (60) days of receipt. Said Deficiency PILOT shall be calculated by first determining the difference between the guaranteed assessed value of the Project as provided in Section 2.6(b) of this Agreement less the actual assessed value of the Project for the tax year at issue, and multiplying said difference by the total tax rate of all taxing jurisdictions as shown on tax bills issued to taxpayers in the City. This requirement shall be a lien running with the land for a period of twenty (20) years or the life of TID #18, whichever is longer.
- d. **Special Charge.** In the event there is a lack of compliance for payment of the Annual PILOT or Deficiency PILOT, then the City, in addition to any other remedy available at law or in equity, may levy a special charge or assessment under Section 66.0627, Wis. Stat., prior to any first mortgage lien on the property for the delinquent amount as calculated herein to enable the City to enforce performance of the Developer's obligations. The owners of the Real Estate and their successors and assigns further agree that they waive

any objection to the City making said special charge or assessment; however, they still retain their right to object to the accuracy and amount of the special charge or assessment.

2.7. Transfer or Sale of Real Estate.

- a. **Notice of Intent to Transfer.** No property within the Real Estate may be sold, transferred, or otherwise conveyed unless the Developer first provides to the City written notice of intent to transfer the property at least forty-five (45) days before the sale, transfer or conveyance is to occur. This Section shall not apply to nor restrict a transfer to Developer's financing entity, e.g. placing a mortgage on the Real Estate, nor a foreclosure pursuant thereto, nor a residential or commercial lease agreement for individual residential living units, individual commercial lease spaces, parking spaces and any single-family residence to be owned in fee title simple by the purchaser, nor public dedications or easements granted in connection with this Agreement or the operation of the Project.
- b. **No Transfer to Exempt Entities.** No property within the Real Estate may be sold, transferred or conveyed to, or leased or owned by any entity or used in any manner which would render any part of the Real Estate exempt from property taxation, unless the purchaser, transferee, lessee or owner first executes a written agreement satisfactory to the Economic Development Commission, or its successor, providing for payments in lieu of taxes to the City.
- c. **Assignees and Transferees Bound by Agreement.** Any assignee or purchaser or transferee of any portion of the Real Estate shall be bound by the terms and conditions of this Agreement, which shall run with the land and be binding upon all such assignees, purchasers and transferees. The Developer shall not sell or transfer any portion of the Real Estate to any entity unless and until the Developer has provided the City with written evidence satisfactory to the Economic Development Commission, or its successor, that such assignee or entity has agreed in writing to be bound by the terms of this Agreement. Any such sale, transfer or conveyance of any portions of the Real Estate shall not relieve the Developer of its obligations hereunder.
- d. The Developer shall have the right to collateral assign this Agreement and its payment rights in and to the Contribution to its lenders and the City agrees to consent thereto.
- e. **Subdivision.** Property within the Real Estate shall not be further subdivided without approval of the City.
- f. **Restrictive Covenant.** Developer shall place a restrictive covenant on the Real Estate prohibiting the Real Estate from being exempt from property taxes in substantially the same form as **Exhibit C**. Likewise, Developer shall place a restrictive covenant on any condominium unit or townhome prohibiting it from being exempt from property taxes in substantially the same form as **Exhibit C**.

2.8. Easements. Developer shall grant the City or any public utility such easements as reasonably necessary for public improvements, infrastructure, ingress or egress, utilities, lighting or landscaping or any other need necessary to effectuate development of the Real Estate in accordance with the Master Plan at no cost to the City.

2.9. Insurance. For a period of twenty (20) years or the life of TID #18, whichever is longer, Developer, its successors and assigns in ownership of the Real Estate shall maintain insurance in such amounts and against such risks both generally and specifically with respect to the Real Estate, as are customarily insured against in

developments of like size, kind and character, including customary builders risk insurance during construction and customary casualty, property and liability insurance, with deductibles in accordance with reasonable industry practice. Notwithstanding, Developer, its successors and assigns, shall carry casualty insurance for the Project at not less than the replacement value and further agrees and covenants to apply any and all insurance proceeds to rebuild the Project (subject to the rights of Developer's mortgage lenders), maintain the Project and Real Estate and to name the City as an additional insured to the extent of this covenant provided in this Section. Developer shall provide to the City certificates of all such insurance.

2.10. Indemnity. Developer shall indemnify and hold harmless the City, its officers, employees and authorized representatives, ("Indemnified Party"), from and against any and all liabilities, including, without limitation, remediation required by any federal or state agency having jurisdiction, losses, damages, costs, and expenses, including reasonable attorney fees and costs, arising out of any third-party claims, causes of action, or demands made against or suffered by the Indemnified Party on account of this Agreement, unless such claims, causes of action, or demands: (a) relate to the Indemnified Party failing to perform its obligations to Developer; or (b) arise out of any willful misconduct of the Indemnified Party. At the Indemnified Party's request, Developer shall appear for and defend the Indemnified Party, at Developer's expense, in any action or proceeding to which the Indemnified Party may be made a party by reason of any of the foregoing.

2.11. Utilities.

- a. **Other Utilities.** Developer shall be responsible for, pay for and cause electrical power, telephone facilities, cable TV lines, and natural gas facilities to be installed in such a manner as to make proper and adequate service available to each building in the Project, as described in the Master Plan. Plans indicating the proposed location of each such utility to service the Project shall be shown on the Master Plan and construction plans to be provided to the City Plan Commission for approval prior to the installation of the utility.
- b. **Water and Sewer.** Developer shall be solely responsible for and shall pay all costs of connecting water and sewer service from the public streets, alley, right of way, or other approved infrastructure to the buildings within the Real Estate.

2.12. Restrictions. Developer agrees to neither use nor allow a third-party to use the Real Estate for adult entertainment, pawnshops, mini-warehouses, car title loan business, payday lenders, tattoo parlors, and/or off-premise signs for a period of twenty (20) years or the life of TID #18, whichever is longer. "Payday lenders" and "car title loan business" shall exclude banks and credit unions. This shall be a deed restriction against the Real Estate and shall run with the land.

2.13. Record Retention. Developer understands and acknowledges that the City is subject to the Public Records Law of the State of Wisconsin. As such, Developer agrees to retain all records as defined by Wisconsin Statute § 19.32(2) applicable to this Agreement for a period of not less than seven (7) years. Likewise, Developer agrees to assist the City in complying with any public records request that it receives pertaining to this Agreement. Additionally, Developer agrees to indemnify and hold the City, its officers, employees and authorized representatives harmless for any liability, including without limitation, reasonable attorney fees relating to or in any way arising from Developer's actions or omissions which contribute to the Indemnified Party's inability to comply with the Public Records Law. In the event Developer decides not to retain its records for a period of seven (7) years, then it shall provide written notice to the City whereupon the City shall take custody of said records assuming such records are not already maintained by the City. This provision shall survive termination of this Agreement.

2.14. Repair and/or Replacement of Infrastructure. Developer shall repair and/or replace any damaged City infrastructure or other City property that may occur as a result of the Project, including, without

limitation, sidewalks, landscaping, asphalt and light poles. Said repair and/or replacement shall be to the satisfaction of the Board of Public Works.

ARTICLE III CITY OBLIGATIONS

3.1. Project Assistance. Developer has requested and the City may be required to make Contributions to Developer up to an aggregate maximum Four Million Nine Hundred Forty-Two Thousand Dollars (\$4,942,000.00). More specifically,

- a. **Cash Grant Based on Improvements.** The Developer has requested a cash grant from TID #18 of up to an amount of Four Million Nine Hundred Forty-Two Thousand Dollars (\$4,942,000.00), subject to change based on the provisions of this Agreement, with funds to be made available upon verification of the Tax Increment increase as defined herein. The City shall disburse its Contribution as required by its Monetary Obligation to Developer in accordance with this Agreement. The City and Developer covenant and agree that neither Contribution nor the Tax Increment shall be used or applied, in whole or in part, to the payment or reimbursement of any real, personal or other property taxes.
- b. **Illustrative Example.** An illustrative example of the payment of cash grants is attached as **Exhibit G**.

3.2. Certificate of Completion. Upon completion of the improvements by the Developer and review of the improvements by the City, the City shall provide the Developer, upon request, with an appropriate recordable instrument certifying that the improvements have been made in accordance with this Agreement and the Master Plan, and any amendment or modifications thereto.

3.3. Assistance with Zoning Changes. If necessary, the City Planning Department shall initiate the process in accordance with the City's zoning code to attempt to provide appropriate zoning for the Real Property being developed by Developer so that the zoning for the Project is in accordance with the City's comprehensive plan for the area.

3.4. City Performance Subject to Required Government Approvals. The execution of this Agreement by the City does not ensure that Developer has received all required approvals from the City Council (and other City bodies) and other public bodies, some of which approvals may require public hearings and other legal proceedings as conditions precedent thereto. The City's agreements under this Article III are conditioned upon the obtaining of all such approvals in the manner required by law. The City cannot assure that all such approvals will be obtained; however, it agrees to use good faith efforts to obtain them on a timely basis.

3.5. Subsequent Phases. Any subsequent development of the Real Estate will be addressed in a separate development agreement.

3.6. Public Improvements. Subject to annual appropriation, the City shall, at its sole cost and expense, construct the Public Improvements identified in **Exhibit D**.

ARTICLE IV CONDITIONS PRECEDENT TO CITY OBLIGATIONS

The City's obligations under this Agreement are conditioned upon the provisions contained herein. If all conditions contained in this Article are satisfied, or if the City waives in writing said conditions, on or before December 31, 2023, then the conditions shall be deemed satisfied. Otherwise, the City, at its option, in its absolute and sole discretion, may at any time thereafter terminate this Agreement by giving notice in writing thereof to Developer. In such event, this Agreement shall be terminated and no party shall have any further liability or obligation to the other hereunder. All submissions given by Developer to the City to satisfy the conditions contained in this Article must be satisfactory in form and content to the City.

4.1. Existence. Developer shall have provided a certified copy of Developer's formation documents and a good standing certificate issued by the appropriate governmental authority of the state of Developer's incorporation.

4.2. Incumbency; Due Authorization. 4.3. No Violation or Default. Developer shall not be in violation of any of its governing documents or other contracts. Developer shall not be in material default under the terms of any other agreement or instrument to which Developer is a party or an obligor. Developer shall be in material compliance with all provisions of this Agreement.

4.4. Financing Commitment. Developer shall obtain and provide to the City: (1) a written financial commitment from a conventional lender, (2) written construction contract to construct and finance the Project, (3) other written proof of financial resources to construct the Project, or (4) any combination thereof. Said documents shall demonstrate sufficient funds for the construction, furnishing, equipping and installation of the Project in an amount not less than Twenty Million Dollars (\$20,000,000.00). Said documents shall be acceptable in all respects to City, in the sole and absolute discretion of the Finance Director and Economic and Community Development Commission. If this condition is not met, then this Agreement shall terminate without further action of the City or Developer. Upon such termination of this Agreement, the parties shall have no further rights or obligation to the other hereunder.

ARTICLE VI REPRESENTATIONS, WARRANTIES AND COVENANTS

Developer represents and warrants to and covenants with the City, and the City represents and warrants to and covenants with Developer as respectively follows:

6.1. Financial Statements / No Material Change. All copies of financial statements, documents, contracts and agreements which Developer has furnished to the City, or its agents are true and correct. There has been no material change in the business operations of Developer since the date of the last financial statement furnished to the City except pursuant to the conduct of its ordinary business.

6.2. Taxes. Developer has paid, and shall pay when due, all federal, state and local taxes, and shall promptly prepare and file returns for accrued taxes. If necessary, Developer shall pay when due all payments in lieu of taxes and special charges required under the terms of this Agreement.

6.3. Compliance with Zoning. Developer covenants that the Real Estate, upon completion of the Project, will conform and comply in all respects with applicable federal, state, local and other laws, rules, regulations and ordinance, including, without limitation, zoning and land division laws, building codes and environmental laws.

6.4. Payment. All work performed and/or materials furnished for the Project, other than the Public Improvements, shall be fully paid for by Developer.

6.5. Certification of Facts. No statement of fact by Developer contained in this Agreement and no statement of fact furnished or to be furnished by Developer to the City pursuant to this Agreement contains or will contain any untrue statement of a material fact or omits or will omit to state a material fact necessary in order to make the statements herein or therein contained not misleading.

6.6. Good Standing. Developer is a limited liability company duly formed and validly existing and in good standing under the laws of the State of Wisconsin and has the power and all necessary licenses, permits and franchises to own its assets and properties and to carry on its business. Developer is duly licensed or qualified to do business and in good standing in the State of Wisconsin and all other jurisdictions in which failure to do so would have a material adverse effect on its business or financial condition.

6.7. Due Authorization. The execution, delivery and performance of this Agreement and all other agreements requested to be executed and delivered by Developer hereunder have been duly authorized by all necessary corporate action of Developer and constitute valid and binding obligations of Developer, in accordance with their terms, subject only to applicable bankruptcy, insolvency, reorganization, moratorium, general principles of equity, and other similar laws of general application affecting the enforceability of creditors' rights generally. The City represents and warrants to Developer that it has the power, authority and legal right to enter into all of the transactions and to perform all of the covenants and obligations required to be entered into or performed by City under this Agreement.

6.8. No Conflict. The execution, delivery, and performance of Developer's obligations pursuant to this Agreement will not violate or conflict with Developer's Articles of Organization or Operating Agreement or any indenture, instrument or material agreement by which Developer is bound, nor will the execution, delivery, or performance of Developer's obligations pursuant to this Agreement violate or conflict with any law applicable to Developer.

6.9. No Litigation. There is no litigation or proceeding pending or threatened against or affecting Developer or the Project or any guarantor that would adversely affect the Project, Developer or any guarantor or the priority or enforceability of this Agreement, the ability of Developer to complete the Project or the ability of Developer to perform its obligations under this Agreement.

6.10. Certification of Costs. Developer covenants the Project Cost Breakdown accurately reflects all costs of the Project (other than costs associated with the Public Improvements, if any) that will be incurred by Developer in the completion and construction of the Project, and the City shall be entitled to rely on the Project Cost Breakdown submitted by Developer. Developer knows of no circumstances presently existing or reasonably likely to occur which would or could result in a material adverse variation or deviation from the Project Cost Breakdown.

6.11. No Default. No default, or event which with the giving of notice or lapse of time or both would be a default, exists under this Agreement, and Developer is not in default (beyond any applicable period of grace) of any of its obligations under any other material agreement or instrument to which Developer is a party or an obligor.

6.12. Fees and Commissions. The City shall not be liable for any broker fees or commissions incurred by the Developer in connection with any transactions contemplated by this Agreement.

6.13. Transfer; Financing Accommodation.

- a. **No Assignment.** Developer, its successors, assigns and transferees will not transfer, assign, convey or encumber, nor will Developer, its successors, assigns or transferees agree to or permit the transfer, assignment, conveyance or encumbrance of the Project or any of the Real Estate except as provided in Sections 2.7 and 8.1 of this Agreement.
- b. **No Transfer.** The principals, shareholders, members, managers and/or partners of Developer, its successors, assigns and transferees will not transfer, assign, convey or encumber their respective interests in Developer, its successors, assigns or transferees, as the case may be, if such anticipated transfer, assignment, conveyance or encumbrance would result in the original members of the Developer having less than majority voting control of the Developer, without providing written notification thereof to the City at least forty-five (45) days prior to the date the proposed transfer, assignment, conveyance or encumbrance is to take effect. Any attempt to so act shall be void and have no effect. Notwithstanding the foregoing, the City acknowledges that from and after the date hereof, the Developer will admit a tax credit investor (the "Investor Member") as a member of Developer, neither the admission of the investor, the withdrawal, removal, replacement, and/or addition of the Managing Member of Developer or the Investor Member of the Developer pursuant to the terms of Borrower's Operating Agreement, nor the withdrawal, replacement, and/or addition of any of Investor Member's general partners or members, nor the transfer of the Investor Member's Interest in the Developer, shall require the consent of the City or constitute a default under this Agreement.
- c. **No Subordination.** The City shall not subordinate any interest it has in this Agreement for any reason, unless it is determined to be in the best interests of the City. Any requests for subordination shall be submitted, in writing, explaining why the request is in the best interests of the City. Said request shall be received by the City not less than forty-five (45) days prior to any City Council action on said request. Said subordination may only be approved by the City Council.
- d. **Developer Financing.** Notwithstanding this Section 6.13, Developer may transfer, assign or encumber the Real Estate in order to secure financing for the acquisition of the Real Estate and/or for construction of the Project. Said lender may place a lien and/or mortgage on the Real Estate, including any renewals, extensions, replacements, modifications or refinancing. Lender's mortgage and/or loan may be transferred or assigned by lender in a secondary market without prior City Council approval. In the event of a foreclosure against Developer by lender or a deed transfer in lieu of foreclosure, lender shall have the right (but not the obligation) to assume the duties, obligations and rights of Developer under this Agreement and the Monetary Obligation. In such a circumstance, lender may transfer or assign this Agreement and its accompanying duties, obligations and rights, to another developer without prior City Council approval. In any circumstance, lender shall provide reasonable notice to City of such actions. This Section shall survive any foreclosure proceeding.

6.14. Commencement and Completion. Developer shall commence and complete construction of the Project in accordance with Section 2.2 above.

6.15. Compliance with Plans. Developer will cause the Project to be constructed materially in accordance with the Master Plan and will promptly correct any defects in construction or deviations from the Master Plan.

6.16. No Changes. Developer shall not, without City's prior written consent: (i) approve any material changes in the Project or the Master Plan or permit any work to be done pursuant to any changes; or (ii) modify or

amend the Project Cost Breakdown to less than the guaranteed minimum construction cost in Section 2.2(c) of this Agreement.

6.17. Inspection of Project. Developer shall permit City, its inspectors and/or its construction consultant, at all reasonable times and at no cost: (a) to inspect the Project and all matters relating to the development thereof, and (b) on reasonable notice, to inspect all of Developer's books and records pertaining to the Project. City assumes no obligation to Developer for the sufficiency or adequacy of such inspections, it being acknowledged that such inspections are made for the sole and separate benefit of City. The fact that City may make such inspections shall in no way relieve Developer from its duty to independently ascertain that the construction of the Project and Developer's compliance with this Agreement is being completed in accordance with the approved Master Plan and the terms and conditions of this Agreement.

6.18. Notification. Developer shall:

- a. As soon as possible and in any event within five (5) business days after the occurrence of any default, notify City in writing of such default and set forth the details thereof and the action which is being taken or proposed to be taken by Developer with respect thereto.
- b. Promptly notify City of the commencement of any litigation or administrative proceeding that would cause any representation and warranty of Developer contained in this Agreement to be untrue.
- c. Notify City and provide copies, immediately upon receipt, of any notice, pleading, citation, indictment, complaint, order or decree from any federal, state or local government agency or regulatory body, asserting or alleging a circumstance or condition that requires or may require a financial contribution by Developer or any guarantor or an investigation, clean-up, removal, remedial action or other response by or on the part of Developer or any guarantor under any environmental laws, rules, regulations or ordinances or which seeks damages or civil, criminal or punitive penalties from or against Developer or any guarantor for an alleged violation of any environmental laws, rules, regulations or ordinances.

6.19. Unrelated Activity. It is the intention of Developer and City that the sole business of Developer shall be the construction, ownership and operation of the Project, and Developer shall take no action inconsistent with such intention, including without limitation the acquisition by Developer of real or personal property unrelated to the Project, investment by Developer in the assets or stock of any other person, joining by Developer with any other person in any partnership or joint venture, or the creation or incurring of indebtedness by Developer unrelated to the Project.

6.20. Intentionally omitted.

6.21. Correction of Defects. Developer shall, upon demand of City (and City may rely on the advice of its inspector and shall not be liable for any errors in such advice), correct any material defect, structural or otherwise, in the Project or any departure from the Master Plan for a period of one year after Substantial Completion.

6.22. Not for Speculation. Developer represents and warrants that its acquisition of the Real Estate and its undertakings pursuant to this Agreement shall be for the sole and express purpose of the redevelopment of the Real Estate consistent with the Master Plan and the terms and conditions of this Agreement and are not for the speculation in land holdings.

ARTICLE VII DEFAULT

7.1 Developer's Default.

- a. **Remedies.** In the event (i) any representation or warranty of Developer herein or in any agreement or certificate delivered pursuant hereto shall prove to have been false in any material respect when made or (ii) of Developer's default hereunder which is not cured within thirty (30) days after written notice thereof to Developer and Developer's investor member (the foregoing being "Events of Default"), the City shall have all rights and remedies available under law or equity with respect to said default. In addition, and without limitation, the City shall have the following specific rights and remedies:
- (1) With respect to matters that are capable of being corrected by the City, the City may at its option enter upon the Real Estate for the purpose of correcting the default and the City's reasonable costs in correcting same, plus interest at one and one-half percent (1.5%) per month, shall be paid by Developer to the City immediately upon demand;
 - (2) Injunctive relief;

- c. **Remedies are Cumulative.** All remedies provided herein shall be cumulative and the exercise of one remedy shall not preclude the use of any other or all of said remedies.
- d. **Failure to Enforce Not a Waiver.** Failure of the City to enforce any provision contained herein shall not be deemed a waiver of the City's rights to enforce such provision or any other provision in the event of a subsequent default.
- e. **Investor Member.** Developer's Investor Member shall have the right (but not the obligation) to cure any breaches or Events of Default by Developer hereunder and City agrees to accept such cure as if made by Developer.

7.2 City's Default.

- a. **Remedies.** In the event of the City's default hereunder which is not cured within sixty (60) days after written notice thereof to the City, Developer shall have all rights and remedies

available under law or equity with respect to said default. In addition, and without limitation, Developer shall have the following specific rights and remedies:

- (3) Action for money damages.

- b. **Remedies are Cumulative.** All remedies provided herein shall be cumulative and the exercise of one remedy shall not preclude the use of any other or all of said remedies.
- c. **Failure to Enforce Not a Waiver.** Failure of Developer to enforce any provision contained herein shall not be deemed a waiver of Developer's rights to enforce such provision or any other provision in the event of a subsequent default.

7.3. Mediation of Disputes Required. Unless the parties agree otherwise, prior to litigation and as a condition precedent to bringing litigation, any party deeming itself aggrieved under this Agreement shall be obligated to request nonbinding mediation of the dispute. Mediation shall proceed before a single mediator. The parties shall split the costs of mediation equally. In the event of impasse at mediation, the aggrieved party may then commence an action. However, the parties shall be bound to agree to alternative dispute resolution as ordered by the Court.

8.5. Parties and Survival of Agreement. Except as otherwise expressly provided herein, this Agreement is made solely for the benefit of the parties hereto and no other person, partnership, association or corporation shall acquire or have any rights hereunder or by virtue hereof. Exhibit B

The Driftless Apartments and Townhomes - Project Description

The Driftless aims to serve the community by creating 120 units of affordable/workforce housing units for both seniors and individuals/families to serve a mix of age groups. This project would be the first development in the underutilized River Point District (specifically located at Zone D) that the City of La Crosse is targeting for redevelopment, helping to catalyze additional development in this area.

The design is modeled off a project we recently completed project in Wauwatosa, WI (River Parkway) which was awarded first place in the 2021 Senior Housing News Architecture and Design Awards for Affordable Housing. We further elevated the design working with the City to suit this location in the River Point District.

Along with increasing the tax base, this project will provide needed, quality, safe affordable housing, helping to enhance stability for lower income La Crosse area seniors and families. This underutilized site is also in a great location just north of Downtown with great access to transit and a grocery store right across the street.

As proposed, The Driftless is made up of five separate buildings. One building consists of four stories with 100 units of independent senior housing (age-restricted to 55+) above one story of structured parking. This independent senior building has a mix of one-bedroom and two-bedroom units. The remaining four two-story buildings consist of a total of 20 three-bedroom townhome style family units (non-age-restricted) with private entries and 12 structured parking spaces.

All 120 units will be affordable to residents at or below 80% County Median Income (CMI) and targeted toward such populations. Further, 24 of these units are set-aside as supportive service units at 30% CMI. We have a signed MOU with La Crosse County Veterans Service Commission and plan to reach out to Couleecap, Inc. as well to partner in providing supportive services and referrals for these 30% CMI units. Depending on the income level and unit size, net rental rates range from \$468/month to \$1,390/month.

- Common Amenities: onsite parking, community room, outdoor patio, on-site leasing office, storage, tot lot
- Unit Finishes: full-service kitchen with Energy Star stainless steel appliances, granite countertops, vinyl plank flooring throughout with carpet in the bedrooms, large windows, private unit patios, in-unit washer and dryer, in-unit internet provided at no cost to residents
