I understand that the Judiciary and Administrative committees voted this week to NOT recommend that you approve the zoning change for UWL to build a new parking structure.

The cars are already here! Let's use common sense and allow UWL to address the problem on their property.

Please disregard the committee recommendation and vote to approve the zoning change. This is a win-win for La Crosse residents and UWL without it costing La Crosse money.

Thank you for your consideration.

John Garten
