Dear Council Members,

I'm writing to voice my support for Agenda Item #24-1323 to remove off-street parking requirements. These requirements take up space that could be used for housing, which our community desperately needs.

La Crosse is facing a housing shortage, and we need to reduce barriers like parking minimums to make progress. Removing these requirements will give developers more flexibility to create the housing our community needs, while still allowing parking where it makes sense.

Thank you for considering this important step toward making La Crosse more welcoming and affordable.

Sincerely,

Brian Fisher
