All,
Since I'm a taxpayer, I believe my voice should be heard.

I think both resolutions regarding the bubbler should have yes votes.

I moved here 44 years ago to go to UWL. I loved this city and have been here ever since! My husband and I raised 2 daughters here. We love the historic
presence of this city and would hate to see one more historic piece lost!

My daughters would walk home from practices at Aquinas and walk the long way around Weigent Park so they could drink out of the bubblers.

Last year I took my grandsons to the park by the Southside Library (another loss for the people of the city!) and it was a big thrill for them to drink out of the bubbler there.

Again, I believe the bubblers should be turned on and devise a plan to comply with the ADA requirements.

Sincerely
Cindy Check
