Subject: RE: Pearl Street Hotel - Liquor License Activation Requirements

As a follow-up to my previous message, Riverstone Hospitality may want to send a representative to the June 2nd 6p Judiciary & Administration Committee meeting. The committee will be considering all renewals, and we will be recommending approval based on the submittal of the activity documents, but the J&A members may still have questions.

Good morning, Travis.

Documents were received.

This confirms that the nonrenewal hearing previously scheduled for June 2nd regarding Riverstone Hospitality LLC dba The Pearl Street Hotel, 200 Pearl Street, has been canceled due to the requested activity records and supporting documentation having been provided and reviewed.

The renewal application will proceed through Council as usual; without intent to not renew.

Thank you.

NIKKI M. ELSEN, WCMC
