This confirms that the nonrenewal hearing previously scheduled for June 2nd at 4p regarding The Gas Station LLC dba Fire Flower Hydro has been canceled due sufficient records being provided showing active use of the license.

The renewal applications will proceed without intent to not renew.

Someone may want to be present at the June 2nd **6p** Judiciary & Administration Committee meeting. The committee will be considering all renewals. We will be recommending approval, but the J&A members may have questions. If you chose to attend, you can do so in person or by Zoom (below is the link):
