A1 PRECISION PUMPING

To whom it may concern I Chase Munson of A1 Precision Pumping have made a couple visits out to 908 East Ave La Crosse, WI 54601 to unplug the main sewer line. During each visit I jetted the sewer line and got it flowing but not completely open. There seems to be a problem close to the city connection on Mississippi st to the north. I can not get the line to completely drain to inspect it with a camera. I believe Kris has contacted the city of La Crosse to see about video footage on their end and none is available. This line is in very poor shape and backs up into his residence fairly regular. I have told Kris to use it spairingly and keep a close eye on it since it is in such poor condition.

Thank you

Chase Munson

Sewer Line Cleaning Attempt at 908 East Ave, La Crosse, WI

On August 28th, 2025, Prime Source made an attempt to clean the sewer line at 908 East Ave, La Crosse, WI 54601. Despite their efforts, the plumber was unable to clear the line. Following this, A1 Precision Pumping was called in to assist with the cleaning. However, the line could not be fully cleared by A1 Precision Pumping either. The line is currently in very poor condition and requires replacement to ensure adequate quality of living.

If you have any further questions regarding the sewer line or require additional details, please reach out to:
