Good morning,

This was approved by the Barre Town Board on June 9, 2026. However, concerns of water in that area were brought up. Here is the motion that was made and passed:

"Trudy Miller has a rezone request for 3 lots on Fox Hollow drive. John has concerns about water drainage by adding other buildings in that area as the current curvets cannot handle heavy rainfall. Don makes a motion to approve with the condition that the county do a water shed study, and consider a water catchment system on the corner of Trudy's property near the corner of Fox Hollow Drive and County O. Bob seconds. Motion passed."

Thanks,

Kristin Radde

Good afternoon,

A certified survey map was just submitted to our office for property owned by Trudy Miller (parcel 2-355-0). Per City code, certified survey maps for property within the City's extraterritorial jurisdiction must be reviewed by the City prior to recording with the Register of Deeds. The CSMs must also have Town and County approval prior to submitting to the City.

The applicant has noted that the Barre Town Board approved on June 9, 2026; however, the certified survey map that was provided was not signed by the Town of Barre. I saw that the Planning Commission approved, but I just want to confirm that it was also approved by the Town Board. Attached is their map, for reference.

Thank you!
