

I would once again like to have my 7'x14' trailer that would remain parked in the parking area just east of the brick restrooms in Riverside Park as it was last year. This will be our fifth year in operation and I would like to use the parking space from May 1st through October 31st. I will remove the trailer during the week of RiverFest as I did last year. We would operate from 10:00 am to 7:00 pm 7 days a week (if/when tours are booked.) I would be willing to pay \$200/ month for the use of the space we would occupy for the trailer and training and for electricity.

Thank you,

Erik
