

LA CROSSE CENTER TEAM RECOMMENDATIONS

Please see included bid results for bid package 3 enclosure and interiors and overall project budget recap. The project is in a good financial shape with a proper contingency. As an end result the following recommendations have been given by the La Crosse Center team.

- Wood accent ceiling in the ballrooms is included in the updated budget.
- North Hall Exhibit Partitions/Operable walls for \$372,000 are included in the updated budget
- Upgraded Concession Stand 10 Façade with accent wood for \$26,700 is included in the updated budget
- Replacing the acoustical ceiling in the North Hall 8-foot corridor for \$5,124 is included in the updated budget
- With input from the Mayor and President Smith it is recommended that ISG Architects and Kraus Andersen be challenged at finding a more economical alternative to the Sun Shade feature for the roof top terrace.
