Hi Tim,

I am forwarding this to you so the rest of the CPC has it for the public hearing.

Thank you.

I am writing to express my support for line 257 in the La Crosse Capital Budget: The Climate Action Plan.

It is a vital for La Crosse to continuing move forward with its greenhouse gas emissions inventory and plans to reduce its community carbon emissions. I realize the city may be facing difficult financial times in the next several months, but I believe it is crucial for our longer term future to keep our commitments to the reduction of carbon emissions.

Thank you
