## MEMORANDUM

**To:** Board of Public Works  
**From:** Bernard Lenz, Utilities Manager  
**Date:** 07/20/2020  
**Subject:** Well 20 issue

---

Well 20 has experience some type of failure that caused in the well gravel pack to be pumped up into the well house, resulting in the well having to be shut down. The Water Utility has obtained quotes to pull the well and inspect the casing and screen to help in determining the fix.

The Water Utility request BPW approval to hire Municipal Pump and Well to perform this work and to direct the Utility and Engineering department to work together to determine a fix to bring back to the Board.
