La Crosse City Plan Commission and City Council:

I would like to address the following issues I had as a neighbor when Catholic Charities were located behind our building at Main and 6th Street:

- Called several times to the La Crosse Police Department with issues
- Loud noises late at night from the parking lot
- Sleeping in cars overnight and revving up their engine late at night
- Pollution smell from their exhaust of their car
- Many arguing with each other and swearing very loud
- Garbage left along side and the back of our building
- Sleeping or passed out alongside of our building or alley
- Blocking our garage door so couldn't drive out
- Hanging out in our entryway of our private building
- Being very argumentative when asked to leave the premises
- Turned up our heater so could sit and stay in our building
- Feared for our own safety in our own building

Some were very cooperative and would stop with their arguing when I asked them to and I thanked them for it.

In closing, I feel finding another location that is not in a neighborhood would benefit everyone involved.

Sincerely,

Jody Cook
