Greetings,

I support the rezoning of Catholic Charities' building at 508 South 5th Avenue and pray for it to be faithful considered and approved for the use of blessing our community with essential services. There are people who need help, and this building - this group of individuals, this AMAZING COMMUNITY - can give them what they need to be successful in life and have purpose. Please, bless this community with the approval to rezone this building.

Thank you so very much for your time.

Sincerely,
Mikayla Mensink
