I haven't heard from either of you. This CSM was approved by Council last night but I cannot issue it until I get an ok from Engineering.  
Thank you.

Good morning Randy and Matt,

Can one of you please take a look at this CSM and provide comments on behalf of the Engineering Department. Being Scott was the surveyor, comments from him could not be appropriate.

This CSM was approved by City Plan Commission and the Judiciary & Administration Committee. It will be before Council Thursday for final action.

Thank you.

Good afternoon,

Attached is a CSM filed with the City for a parcel in the Town of Shelby. Because this land is within the City's extraterritorial jurisdiction and is going through our Council in addition to the internal reviews. Please respond with your approval.
