The City of La Crosse Parks, Recreation, and Forestry Department is requesting the use of the southeast portion of parcel 17-50256-10, currently leased to City Brewery, for the expansion of boat launch parking and overflow from the three Carroll softball fields. The addition of the third softball field and the increasing popularity of boating have created a need for additional parking in this area and the best way to accommodate the needs of our customers is to increase the available parking inventory.

Sincerely,
