Thank you Nikki,

We have went over this and we have two small revision.

1. In the SW corner or Lot 1 on the line that reads N53-59-27W 622.00'. The 2 sub distances do not add up to 622.00' (421.59'+160.41'=582.00)
2. For the West line of Lot 1 in the description calls N1-38-55W yet the map show S1-38-55E.

These are suggestions that can be changed prior to recording, but the map can be recorded without these revisions.

Thanks for the Opportunity to review.

Good afternoon,

Attached is a CSM filed with the City for Kmart parcels. Because they are asking for a waiver of the platting requirements, this CSM is going through our Council in addition to the internal reviews.

I missed a couple more things on this one

1. For consistency the heading should be all of lots 9 and 10 vs all of lots nine and 10
2. For the owners block, he should fill in the correct address
3. In the heading of the description after the town and range he shows part of the City of Lagrosse, this should be LaCrosse

Thanks again

Corey Hughes
