Kyle,

Attached is the invoice for the application fee. Payment can be made in person during our open hours, Monday through Thursday (8 a.m. to 2 p.m.) or it can be mailed or dropped in our green drop-box with the invoice. Payment needs to be received prior to the BPW meeting on Monday, July 12.

I have also attached a copy of the meeting notice that went out to the property owners today. You can view the application and attached documents on our Legislative Information Center [here](#).

Please let us know if you have any questions.

Fees are waived if it is a City project and City is named as co-applicant.
However, I was told this is a State project.

Are city fees waived for a city project?

Like plumbing and excavation permit fees are waived.

Kyle,

We are in receipt of the Application for Construction Noise Exemption; however, a filing fee of \$200 (check payable to La Crosse City Treasurer) is due before we can process the application. If you need an invoice to process the payment, I can get one to you tomorrow (hopefully) as our system is currently down for upgrades.

We can get this scheduled for public hearing on July 12th; however, payment must be received by that date or we will pull it from the agenda.

Please contact me if you have questions.
