**Subject:** Application - Limited Exemption for Construction Noise - La Crosse Center  
**Attachments:** Kraus Anderson - La Crosse Center Project.docx

Weston,

We received the application for the exemption to construction noise. The attached notice went in the mail yesterday (to property owners in the 300-foot buffer area) which allows for the 10-day notification for public hearing before the Board of Public Works meeting on July 12, 2021. Someone from Kraus Anderson should be present, either in-person or via the online meeting link, in case any questions arise. I will set a reminder to email you the link to the meeting once the agenda for July 12 has been noticed (typically the Thursday before the meeting).

If you have any questions, please let me know.
