

FOR IMMEDIATE RELEASE:

July 6, 2020

The City of La Crosse Planning Department and SEH Inc. would like to invite you to a King St. Greenway Extension public workshop next week. Details are below. Hope to see you at either session!

Date: THURSDAY, July 15th, 2021

Time: Please Attend Either Session:

Afternoon: 3:30 p.m. - 5:00 p.m. (3:45 presentation)

Evening: 5:30 p.m. - 7:00 p.m. (5:45 presentation)

Location: La Crosse Center, North Hall

300 Harborview Plaza, La Crosse, WI 54601

The City and their consultant, SEH will present the; scope of the project, initial concepts, preliminary survey results and lead several exercises to gather public input on facility design. If you have any questions regarding the project, please contact Darren Fortney, Consultant Project Manager.

What is a Greenway?

La Crosse's Neighborhood Greenways, also known as slow streets, are streets with low motorized traffic volumes and speeds, designated and designed to give bicycle and pedestrian travel priority. La Crosse's Neighborhood Greenways use signs, pavement markings, green infrastructure, and speed and volume management measures to create safe places for people to bicycle and walk.
