Honorable Police & Fire Commission:

## **Police Department Monthly Report**

### **Community Engagement**

Several months ago, two Officers were celebrated for their efforts in “paying it forward” to members of our community. Because of these stories, an anonymous community member wished to set up a Random Acts of Kindness, “RAK”, fund for our Officers to use in special situations. Since then, several Officers have been able to help out our community members in small ways. Most recently, Officer Ethan Purkapile was able to connect with a local child who was having a rough day. After finding out that she loved dogs, Officer Purkapile purchased, with the “RAK” funds, one of our K-9 Unit’s fundraiser stuffed animals and gave it to this child. Her family has been so happy to see her build a relationship with Officer Purkapile.

On September 11, Officer Jesse Cotto was able to stop out at the airport to meet with the group of veterans that were heading to Washington D.C. on a Freedom Honor Flight. He was also able to meet with organizer, Patty Lokken, and thank her for her decades of work honoring our veterans and the fallen.

Also on September 11, several Neighborhood Resource Officers joined the Steppin’ Out in Pink crowd to assist organizers and participants alike.

### **Staffing**

On October 11, Officer Lisa Barrix retired after over 29 years of faithful and dedicated service to the La Crosse Police Department and our community. Lisa was hired as a Cadet (CSE) in April 1992 and was sworn as an officer a year later. She served as a Patrol Officer, working 3<sup>rd</sup>, 2<sup>nd</sup>, and day shifts. She was also assigned as the Community Policing Officer for three years. Lisa also served as a Field Training Officer and a tactical member of the Emergency Response Team. We wish Lisa a wonderful retirement!

We currently have four vacant sworn positions.

## Stats

As mentioned last month, we recently moved to a new Records Management System (RMS). The following stats reflect the final information that was entered in our old system. As mentioned in September, stats going forward will look quite different. We will continue to provide information, but the type and format will be different until we are fully converted and transferred to the new WebRMS.

Attached are the following reports:

- Training – YTD July 2021
- Statistical – YTD July 2021
