No. 2Date October 12, 2022

EDF #22-026.02

Contract No. MISC-2022-031 for the following public work: River Point District—Phase II (Street & Utilities) between Chippewa Concrete Services, Inc. and the City of La Crosse, dated 9/01/22, is hereby changed in the following particulars, to-wit:

Add the following Spec Section 31 62 17, Part 2.01.A.1:

An alternate steel pipe pile meeting 12.75-inch outer diameter, minimum shell thickness 0.281 inches, ASTM252, grade 3 (fy=65 KSI) may be used with an agreed upon unit cost price adjustment, with Engineer approval. If a pile crumples or splits, it must be pulled and replaced. If the pile is unable to be pulled, it shall be filled with concrete another one driven next to it. This will require a revised base slab detail. The Contractor shall pay for all engineering required to revise the base slab detail.

The Contractor agrees to a price adjustment to steel pipe piles as follows:

Bid item 31 62 17.01 Test Piles; 400 LF @ \$72.39/LF = \$28,956.00

Bid item 31 62 17.02 Steel Pipe Piles; 11,084 LF @ \$65.11/LF = \$721,679.24

The total contract price adjustment is estimated and is dependent upon final quantity of steel pipe piles driven.

By virtue of such changes in the contract, the following revisions shall be made:

Contract-----	<u>\$10,961,937.96</u>
Contingency-----	<u>\$0.00</u>

STREET PRIVILEGE PERMIT CONDITIONS FOR COMMUNICATIONS INSTALLATIONS

1. The applicant shall be primarily liable for damages to person or property by reason of the granting of this street privilege permit.
2. The applicant shall obtain an excavation permit from the City of La Crosse Engineering Department prior to performing installation or any maintenance on the cable in the City right-of-way that requires excavation or disruption of pavement, sidewalk, curb and gutter, or other structure.
3. The applicant agrees that tracer wires shall be used and final cable location within the street right-of-way shall be approved by the City Engineer. Cable shall be installed not less than 36 inches deep, unless otherwise approved by the City Engineer.
4. Applicant agrees to provide the City of La Crosse with final "as-built" plans when installation is complete.
5. Applicant agrees that any pavement, concrete or green space disturbed during drilling activities shall be restored to its prior condition.
6. Applicant agrees that said installation shall not interfere with the City's water, sanitary sewer, or storm sewer underground infrastructure that may be in the area.
7. Applicant further agrees that they will make arrangements with the public utility companies and the City of La Crosse to clear all public underground utilities prior to initiating such work, and if necessary, applicant will make arrangements with the City of La Crosse to ensure proper traffic control.
8. Applicant waives any and all rights to contest in any way or manner the validity of Sec. 66.0425 of the Wisconsin Statutes and the amount of compensation charged.
9. Applicant agrees to become a member of Diggers Hotline for marking / locating of utility.
10. The applicant for a permit to encroach on the public right-of-way shall procure and maintain for the duration of the permit a minimum liability and contractual liability policy in the amount of \$100,000.00 each person, \$300,000.00 each accident for bodily injury and \$100,000.00 for property damage. A certificate of such insurance shall be filed with the City Attorney as part of the application. The insurance shall name the City, its officials, employees and agents as additional insureds. The Board may approve greater insurance protection on a case-by-case basis.
11. Applicant further agrees to hold harmless the City for any damage to said cable while the City, its agents or contractors are conducting construction for maintenance activities in or upon such area in which said cable lies; provided, however, the City shall make a good faith effort to notify applicant of any maintenance or work in the area of the street privilege permit which may damage applicant's cable.
12. Applicant agrees to remove the cable and return the area to its original condition upon ten (10) days' notice by the Board of Public Works. The applicant further agrees that if it does not remove the cable within ten (10) days after receiving notice, the City is authorized to remove the same and applicant agrees to pay the City for all costs of such removal.
13. Applicant further agrees that the obligations and conditions of this street privilege permit shall be binding upon all heirs, successors and assigns of applicant.
14. The person(s) signing this Permit warrant that they have the authority to sign as, or on behalf of, the party for whom they are signing.
