City of La Crosse, Wisconsin Adjustment to Authorized FTE List Requests - 2023 Operating Budget

Budget Highlights and Assumptions

Revenues

- o \$2.5 Million of ARPA Lost Revenue Funds utilized
- \$1.67 Million of Fund Balance use due to receipt of \$1.8 Million TIF
 Developer payment
- (\$1 Million) Forfeiture of the state expenditure restraint program aid of approximately \$1 million

> Expenses

- An estimate has been budgeted for the increase to wages resulting from the pay and class study recommendations
- A 3% Cost of Living Adjustment for Non-Represented Employees effective 1/1/23 is built into the budget
- A step increase for employees has been included effective 7/1/23
- o A 1% Vacancy allowance for all positions based on historical experience
- Collective bargaining agreement salary increase for the Police and Fire unions
 - Fire 2% increase effective 1/6/23, 1% increase effective 7/7/23
 - Police 1% increase effective 1/6/23, 2% increase effective 9/1/23
- Any requests of adjustments to the Authorized FTE List have not been included in the budget
- Reduction to Streets budget of \$252,954 by shifting funding of street capital projects from operating funds to capital funds

> Operating Budget Constraints

- A net new construction figure of \$360,453, the amount the City is allowed to increase the levy by and is proposing to utilize the full amount
- 7% was used for the allowable percentage increase for expenditures based on Consumer Price Index. This allows for an increase of expenditures of \$4.2 Million to participate in the Expenditure Restraint Program for 2023 an increase of \$1.04 Million (1.54%) is being proposed

	2021 operating revenue			
	- discuss one time revenue sources			
	What is your level of comfort with rate increases and salary expenses			
	- discuss steps we have already taken to review rates			
Schwarz	When did the assessed values change?			
	- discuss when we should have prelimiary numbers and affect that this			
	helps to set our tax rate, what areas can we control and change vs. what			
	we cannot related to assessed values			
	Where will the ARPA funds come into play?			
	- we need to calcuate how much we can apply with guidence from the			
	Federal government and the ARPA program.			
	Estimated \$565,000 for new construction			
	The most positive situation in terms of levy, a higher assessment would be			
	good for the City and keep the rate the same.			
	When will we have more of those numbers?			
	We typically have those amounts in the fall starting in September.			
	Overview of the Operating budget flow

	Mayor can bring back more than one option for budget recommendations			
	How can the no tax rate increase help us? Option to hold down the tax rate and we give it to the public to at least			
	Option to hold down the tax rate and we owe it to the public to at least			
	look at that option			
	The levy limit on the estimated worksheet may not happen, we have not			
	taken into the ERP limit or levy limit constrants			
Neumann	Levy limits are set by the State?			
	Yes, the State sets that calcuation and we can add or remove to change our			
	levy if we have the room to do so			
	Starts with prior year levy, add net new construction, add remaining levy			
	left over from last year, and debt expenditures
