Name: Municipal Transit Utility Board

Type: Board or Commission

Description: The Municipal Transit Utility Board has powers and duties prescribed by statute relating to the acquisition, management and operation of a Transit System and has jurisdiction, powers and duties extending to any comprehensive local transportation system whether within or without the corporate limits of the City. The operation of any transit system is deemed a public utility pursuant to the provisions of the Wisconsin Constitution and the laws of the State of Wisconsin. The Municipal Transit Utility Board is comprised of the two citizen members, one County Supervisor, one student representative from one of the City's three institutions of higher education, one council member, and Mayors of the cities of Onalaska, Wisconsin, and La Crescent, Minnesota or his/her designee, and the Chairperson of the Town of Campbell, Wisconsin, or his/her designee.
