
Name: City of La Crosse SLFRF Program Award Committee

Type: Board or Commission

Description: The Coronavirus State and Local Fiscal Recovery Funds (SLFRF) Program of the American Rescue Plan Act is intended to provide a substantial infusion of resources to State and Local governments to help turn the tide on the COVID-19 pandemic, address its economic fallout, and lay the foundation for a strong and equitable recovery. In an effort to adhere to the Guiding Principles defined in the Recipient Compliance and Reporting Responsibilities for eligible distribution and use of its SLFRF funding, the City has chosen to contract with LCF to help facilitate the distribution of funds to help local nonprofits and to ensure an equitable, transparent and user-friendly process. All applications will be reviewed by an independent committee that is representative of the La Crosse community. Per LCF's Conflict of Interest Policy, all individuals on the committee will be expected to disclose any conflicts of interests with the applicant organizations, and will abstain from evaluating any organization where a conflict exists. Committee members will serve as volunteers and therefore receive no compensation; said committee will be comprised of up to 3 individuals from the City of La Crosse, and up to 6 individuals from the La Crosse Community Foundation, 3 of whom have significant experience reading and evaluating nonprofit financial statements
