We do not attach the bounce house to the ground. It is attached and secured to two cars, so we do not stake into the ground. Our goal is to make sure that every Law Enforcement Officer in La Crosse County knows they are appreciated and how thankful we are for the sacrifices they make to maintain order and peace in our communities. Today, Law Enforcement Officers are facing significant challenges. Nationwide, these men and women respond to over 77 million calls annually – over 1 million times each week our law enforcement professionals respond to protect, to assist, to help in times of need – and these responses are not always fully appreciated. Every year at this event, I talk with Officers who indicate how much this appreciation picnic means to them and their families – to know that we as a community support them and appreciate their service.
