

PETITION FOR CHANGE TO ZONING
CITY OF LACROSSE

AMENDMENT OF ZONING DISTRICT BOUNDARIES

Petitioner (name and address):

Spenser Nickelatti 444 Main St Suite 101, La Crosse, WI 54601

Owner of site (name and address):

Spenser Nickelatti NRE Properties LLC.

Address of subject premises:

2423 16th St S. La Crosse, WI 54601 1613, 1617 Chase Street

Tax Parcel No.: 1750286040

Legal Description (must be a recordable legal description; see Requirements):

see attached document due to length of description.

Zoning District Classification: M1-Light Industrial

Proposed Zoning Classification: C2- Commercial

Is the property located in a floodway/floodplain zoning district? ☐ Yes ☒ No

Is the property/structure listed on the local register of historic places? ☐ Yes ☒ No

Is the Rezoning consistent with Future Land Use Map of the Comprehensive Plan? ☒ Yes ☐ No

Is the Rezoning consistent with the policies of the Comprehensive Plan? ☒ Yes ☐ No

Property is Presently Used For:

Mixed-use property consisting of warehouse space, contractor business operations, office space, and an existing four-bedroom residential apartment (formally a Watchmen's quarters).

Property is Proposed to be Used For:

Mixed commercial use with the continued use of the existing four-bedroom residential apartment under C-2 Commercial zoning.

Proposed Rezoning is Necessary Because (Detailed Answer):

The property currently contains a mix of warehouse, office, and commercial uses, along with an existing four bedroom residential apartment that historically served as watchman's quarters. The requested rezoning from M-1 Light Industrial to C-2 Commercial will allow the continued lawful use of the existing residential unit while permitting commercial uses that are more consistent with the property's current character and the surrounding area. The City's Comprehensive Plan recognizes that the Trane & Chart District contains a mix of industrial, commercial, and residential uses and identifies opportunities for properties transitioning from industrial use to accommodate additional residential uses. The proposed rezoning promotes the productive reuse of an existing building, supports future commercial investment, and better aligns the property's zoning with its existing and intended use.

Proposed Rezoning will not be Detrimental to the Neighborhood or Public Welfare Because (Detailed Answer):

The proposed rezoning will not be detrimental to the neighborhood or public welfare because it formalizes the existing mixed-use character of the property without substantially changing its intensity or footprint. The property already contains warehouse, office, commercial, and an existing residential unit. Rezoning to C-2 Commercial will allow these uses to continue in a zoning district that is more appropriate for the property's current and intended use. The rezoning will not increase traffic, create incompatible land uses, or adversely impact neighboring properties. Any future improvements or changes to the property will remain subject to all applicable zoning, building, fire, and life safety regulations. The request promotes the continued productive use of an existing property while remaining compatible with the surrounding neighborhood.

Proposed Rezoning will not be Detrimental to the City's Long Range Comprehensive Plan Goals, Objectives, Actions and Policies Because (Detailed Answer):

The proposed rezoning is consistent with the City's Long Range Comprehensive Plan because it supports the productive reuse of an existing property within the Trane & Chart District. The Comprehensive Plan recognizes that the district contains a mix of industrial, commercial, and residential uses and identifies opportunities for properties transitioning away from industrial use to accommodate additional residential development. Rezoning the property from M-1 Light Industrial to C-2 Commercial will allow the continued use of the existing residential apartment while supporting compatible commercial uses. The request aligns the property's zoning with its existing mixed-use character, encourages reinvestment, and promotes efficient use of existing buildings and infrastructure.

AFFIDAVIT

STATE OF _____)
COUNTY OF _____) ss

1613 Chase Street, 1617 Chase Street, and 2423-2425 16th Street So., La Crosse, WI 54601.

TRANE & CHART DISTRICT (D-10)

District Description

The Trane & Chart district straddles Highway 14 and the railroad right-of-way. It includes several facilities owned and operated by Trane Company, one of the larger employers in the City, as well as a variety of uses including high- and low-intensity commercial. There are minor residential components within the district as well.

Vision for Future Land Use

The vision for future land use within this district is highly dependent on future trends in needs for industrial space. If existing buildings used for industrial space is transitioned away from industrial, there is the potential to create medium-high-density residential within the district. However, consideration should be given to needs for industrial employer expansion within the City.

Voices from the community

"The HCCA is an essential part of the La Crosse area. The local government should work with them more to recognize and affirm that Hmong people are a respected part of our community."

"Biking across the railroad tracks here is very rough. I have seen other cities with smoother rail crossings, or just replacing the wood would be great"
