To whom it may concern:

I am sending this letter on behalf of the families on the 400 block of Rivercrest Drive North, Rivercrest Village, La Crosse, Wisconsin. Specifically my aunt and uncle who have lived on the land in question for over 18 years. The land/lease dispute between the city and River Crest partners will lead to devastating consequences for these families, through no fault of their own, without your intervention to stop this displacement.

My aunt and uncle are loving, selfless and humble people. They have worked their entire lives in service of others and they have earned the peaceful retirement they have worked so diligently for. Please do not force them to move, or take away their homes and their lives as they know it.

Please support Resolution 24-0701 and prevent the utterly cruel displacement of this wonderful elderly couple and their neighbors.

Thank you for your consideration,

Jacquelyn Voigt
