I am writing to you to support the TND rezoning for the REACH Center. Because a supermajority vote is no longer needed, the circumstances have changed substantially and the rezoning should be considered. I walk often near the REACH Center. It is part of my neighborhood. The services it would like to provide are essential to our community and the remodeling within and perhaps on the roof for solar panels are reasonable.

Thank you for attention to my concerns and to your service to our community.

Peace,
