Dear Council Members,

I'm writing as a North Side resident to share my perspective on agenda item 24-1437, the resolution regarding the sale of 626 Monitor Street to Property Logic III. I urge you to vote no on this proposal.

Our community has a unique opportunity to embrace a project like Fire House Commons, which focuses on supporting small businesses and fostering local connections. This vision would bring long-term benefits to the North Side by providing resources and spaces that directly serve our residents and entrepreneurs.

An office space, while valuable in other contexts, doesn't meet the specific needs of our neighborhood as effectively. Fire House Commons would be a cornerstone for growth and a meaningful step toward revitalizing our community.

Thank you for your time and thoughtful consideration of this matter.

Sincerely,
Makenna Hart
North Side Resident
