Good afternoon,

I understand that a supermajority vote is no longer needed in order to consider rezoning that will open opportunities for the REACH Center to expand services to our neighborhood and community. The Reach Center is a vital part of our community, and I am totally supportive of all of their work. Their remodeling will allow them to have even more positive impacts within our neighborhood. Their changes are both reasonable and will improve efficiency. Please help me and my neighbors support the Reach Center's work by voting yes to the TND rezoning.

Thank you for your attention to this matter and your service to the La Crosse Community.

God bless you,

Margaret A. Earsley
