**Do you have a furnace or heat pump?**

**Do your heating vents feel weak or cold?**

**Does your house feel drafty or inconsistently heated?**

*How can you sign up for funds to help before the money runs out?*

**Find out if you're eligible for  
an energy assessment to  
reduce your energy bills!**

If you earn less than the chart below, and if your home's energy bills are more than you like, you can qualify for funds from the City of La Crosse and State to have an energy assessment done on your house. You can be either an owner or a renter (but landlord must be the one to call for scheduling)

- **Your home has forced air and you have 12 months of energy bills**
- **You must be a La Crosse city resident**
- **You must have written approval from your landlord if you are not the legal owner of the property**

If your house fits the **above list**, and you own the home (provided the home is owner occupied), and either you or your tenants earn less than below, you could be eligible for a grant to assess your home's energy waste, reduce energy bills and make the home more comfortable!

*Please note, windows are **NOT** available as part of this program!*

To have an expert help you find out if you're eligible for the grant, **Call or text Jack at Green Homeowners**
