Requested Reimbursement Amount

- For LOMR-F (No More than 90% of eligible engineering and construction costs up to \$40,000)
- For basement stabilization (No more than 90% of the costs up to \$40,000)
- For noncompliance identified by FEMA (No more than 90% of the costs up to \$40,000)

Note: The cost of engineering services related to all floodplain relief grants are part of the \$40,000 maximum allowed under this program.

Section E-Request for 90% Reimbursement

Owner hereby certifies that the above stated work and successful Letter of Map Revision (LOMR) has been completed or in the case of basement stabilization funding, the work has been completed in accordance with all local, state and federal requirements, received and is on file with the City and the contractor and engineer/consultant has been paid for the above stated services in their entirety (Paid Invoices are Required for city documentation).

Owner acknowledges the terms and conditions of the Floodplain Relief Program.

Owner is hereby requesting a reimbursement grant for all above stated eligible activities/costs based upon the terms of this program.

Important Note: In order to receive direct payment to contractors (only under the compliance-basement fill portion of this grant), contractors must submit invoices to owners first for their signature and then to the City for direct payment requests from the City to the contractor. Payees must also have a W-9 on file with the City.
