**Wisconsin Bike Fed Bringing Cycling Education Opportunities to La Crosse
July 19 - 22, 2024**

MILWAUKEE: The Wisconsin Bike Fed is taking to the road for lively and fun multi-day cycling education in La Crosse, Wisconsin. Anyone, whether they are new to cycling, a tenured commuter, or an educator looking for more teaching tools, is encouraged to attend. We are working with some amazing community partners so that these programs can be free and open to the public. Everyone is invited to brush up on their bicycling knowledge, have some fun, and meet fellow cyclists in the La Crosse community.
