Dear member of the La Crosse City Council,

I am writing to ask you to accept the petition to rezone the Reach Center property. It seems it was mistakenly zoned the first time. The Center is one of the wonderful outreach centers designed to help La Crosse residents who need services. They have already been doing this, apparently without problem, for some years, and the changes they would make inside the building, and putting solar panels on the roof, will do nothing but improve life for many. I urge you to accept their request.

With a prayer for God's blessing for you as you serve our city,
Sister Nina Shephard, FSPA
